FADE IN:

1 EXT. SMALL LOCAL COLLEGE - MAGIC HOUR

1

We see the entrance to a small college campus, leafless trees lining the road.

The wind is blowing.

The sun is setting and the sky has a hazy red tint.

2 EXT. COLLEGE PARKING LOT - MAGIC HOUR

2

We see a parking lot with only a few cars.

A couple of students walk past in the distance.

3 EXT. CAMPUS GROUNDS - MAGIC HOUR

3

A few students are on their way back to class.

Some trash and beer cans dot the campus grounds.

The faint sound of crappy music is playing somewhere off in the distance.

4 EXT. COLLEGE CAMPUS - MAGIC HOUR

4 \*

A small fountain - flowing weakly - sits in the middle of a pond with a few ducks.

A couple of students walk by.

We don't see any faces.

5 EXT. DESIGNATED SMOKING AREA - NIGHT

5 \*

The cafeteria is not very busy, only a few scattered students reading.

We see four young girls - all in their early twenties - sitting around a table.

All four girls are very cute.

They are sitting quietly next to one another.

BRIT has blonde hair and sharp eyes.

(CONTINUED)

CONTINUED:

She is listening to head phones and we can hear that it is rap music.

She bobs her head ever so slightly.

She is wearing a white baseball cap with a curved brim that is pulled down almost to her eyes.

Her stare is hard.

CANDY is sitting next to her.

Her hair is darker.

She has thick red lips and her nails are bright red.

She's wearing a T-shirt with Snoopy on it. Snoopy is holding a gun in the picture.

FAITH is sitting next to her.

She has a stunning face.

She is wearing no make up and a crucifix necklace.

She looks extremely innocent and doe-eyed.

Her breasts are large and she is wearing a pink sweater.

She takes a sip from a box of chocolate milk.

Sitting next to her is COTTY.

COTTY has a very cute baby face.

Her hair is in a short bob and her eyes are crystal blue.

All the girls speak sound alike, with a bit of a southern accent.

They are from the same town.

They sit quietly for a bit, looking around at the other students in the cafeteria.

COTTY  
We gotta get the fuck out of here.

FAITH  
I know.

BRIT  
How much money do we have?

CANDY  
Not enough.

BRIT  
How much?

CANDY  
About halfway there.  
(under her breath)  
Halfway to paradise.

Long pause.

They stare out at their classmates eating and socializing.

BRIT  
I'm so ready to get my party on.

COTTY grabs three french fries and sticks them in her mouth.

BRIT yawns.

A HISTORY PROFESSOR stands in front of a nearly full classroom giving a talk on civil rights.

Almost all the students are taking notes.

BRIT is sitting next to CANDY.

She is writing something into her note pad.

BRIT looks around to make sure no one else is looking at her.

She holds up her note pad and laughs, she tries to muffle it with her shoulder.

She has written the words "I WANT PENIS!" on the note pad.

There is a bright pink heart drawn very neatly around the sentence.

CANDY nods in agreement and flips open her notebook.

She grabs a big black magic marker and pops the cap off with her mouth.

She darts her eyes quickly around the room.

She writes onto a piece of paper.

She holds it up to CANDY'S face.

(CONTINUED)

CONTINUED:

It says "SPRING BREAK BITCH!!"

She has drawn a large penis around the words.

They both start laughing.

A CHUBBY REDHEADED GIRL STUDENT with thick glasses and a nose ring, makes a loud shhhh noise.

CANDY flicks her off.

BRIT kicks the side of CANDY'S leg.

They both try and stifle their laughs but to no avail.

Some of the students sitting around them seem annoyed.

The PROFESSOR pays no attention to them, continuing his speech on civil rights.

Close up of BRIT holding a very real looking toy water gun in the sink.

We can hear some dirty gangsta rap playing in the room outside.

She pops open the hole on the toy gun.

She takes a bottle of Jack Daniels and pours it into the hole.

Her hair falls onto her face and she pushes her hair away with her wrist.

She's wearing an oversized neon pink T-shirt.

She holds the gun up and squeezes a bit into her own mouth.

She smiles and walks out of the room.

9 EXT. COLLEGE CHAPEL PARKING LOT - NIGHT

9

FAITH walks through the parking lot.

The parking lot is almost completely dark except for a single neon light that beams down from an overhead lamp post.

She walks through the light. Her eyes are wide and innocent.

She is holding a bible in her hand and has a pen stuck behind her ear.

A few other students make their way inside.

10 INT. COLLEGE CHAPEL - NIGHT

10

It is a bible study workshop filled with students.

They are all sitting on the ground in a circle with their legs crossed.

The students hold hands and have their heads bowed.

They are singing a prayer in unison.

CUT TO:

COLLEGE CHAPEL/LATER

11

Everyone is standing now, their hands in the air.

A muscle-bound YOUTH PASTOR in an Ed Hardy T-shirt and flip flops is pacing back and forth.

He has a large crucifix tattoo with roses crawling up the side of his neck.

He is holding a bible up over his head and his face is bright red.

He speaks like a football coach who is about to be hoarse.

YOUTH PASTOR

I am stoked on the lord!! I am so completely stoked on the lord!! Do ya'll hear me?

YOUTH GROUP

(in unison)

Yes!!

YOUTH PASTOR

I feel his presence hardcore! I feel GOD'S presence so intensely I am beyond completely stoked up on Jesus tonight! His power is gettin' me amped!! It's like super fuel! Amped up hardcore ya'll!! I am so amped on Jesus tonight!! Ya'll feeling me?

He grunts a bit.

YOUTH GROUP

Yes!!

The YOUTH PASTOR wipes the sweat from his face.

He walks to the podium and takes a big sip from an orange GATORADE bottle.

He holds the bible high into the air and then flexes both arms, making a hideously strained face.

His demeanor is very close to a professional wrestler.

INT. BRIT AND CANDY'S DORM ROOM - NIGHT

13

The room is a total mess with clothes everywhere.

There are posters of TUPAC, LIL WAYNE, and GUCCI MANE on the walls. All the posters have people holding guns.

CANDY is sitting on the edge of her bed watching cartoons on the television.

\*  
\*

She is wearing cut off denim shorts and a gray hoodie sweatshirt pulled over her head.

Her legs are tan and lean.

COTTY is asleep on the other bed with her leg hanging over the edge.

She is wearing tight grey athletic shorts and white ankle socks. Her panties are poking through.

BRIT walks out of the bathroom.

She is holding the water gun in one hand and the bottle of whiskey in the other.

She walks up to CANDY and points the squirt gun directly in front of her face.

CANDY looks at the gun and smiles.

\*

BRIT  
(in a fake gangsta voice)  
Open up, bitch.

(CONTINUED)

CANDY opens up her mouth. Her lips are just a few inches from the gun.

BRIT squirts the whiskey into her mouth.

She makes a cartoonish sounding gun noise after each squirt.

(CONTINUED)

After about five quick squirts she stops.

CANDY leans her head all the way back and takes a deep gulp of the whiskey. She makes a face.

BRIT walks over and starts squirting COTTY on the butt.

COTTY pulls the blanket over her back.

COTTY  
(speaking into her pillow,  
partially laughing)  
Fuck off. Stop!

The glow from the cartoon fills the room.

BRIT squirts a bit into her own mouth and tosses the squirt gun down on the table and laughs.

FAITH is standing next to a small group of girls from her church group beneath a street light.

They are all holding bibles.

A few students in the background make their way to their cars.

One of the CHURCH GIRLS steps up to FAITH with a concerned look on her face. Shes wears a tie-dye T-shirt and tiny wire rimmed glasses.

FOREST  
Are you still goin' to Florida? \*

FAITH  
I don't know, I'm tryin'. I'd like to.

A second church girl with a denim jacket and cross eyes steps up. She has written the sentence 'WHAT WOULD JESUS DO' across her sleeve.

BESS  
Who you goin' with? \*

FAITH  
Brit and Candy, and I think Cotty is coming.

Both church girls nod disapprovingly.

(CONTINUED)

BESS  
Be careful.

FAITH  
Why?

FOREST  
Cause those girls are scary.

FAITH  
No.

BESS  
Especially Brit and Candy.

FAITH just smiles. She seems a bit taken aback.

FAITH  
Why?

BESS  
They're both so cold. They act  
like they got demon blood.

FOREST  
Just evil. They give me the  
frickin' chill bumps.

FAITH  
No ya'll, they're sweet. I've  
known em forever and since grade  
school even.

FOREST  
They just don't seem right.

Pause.

BESS  
I hope you pray down there in  
Florida.

FAITH laughs nervously.

FOREST  
Pray hardcore.

BESS  
Pray super hardcore.

The other church members all nod in agreement.

There is a small party going on and everyone is dancing in the smoky room.

There is dirty shag carpet on the floor.

Some FRAT BOYS are drinking.

A FAT GUY with no shirt is sitting in the corner smoking a bong in his underwear.

Someone is passed out on the couch.

There is a large hole in the wall that looks like someone punched it.

CANDY is holding a microphone as the music blasts. She is doing a gangsta rap karaoke. She knows every word.

Everyone is dancing around her.

As she raps she grabs her crotch.

COTTY is standing on a chair and drinking a tall boy of beer while waving her hands around.

One of the frat boys picks CANDY up by her waist and kisses her neck.

She pushes him away.

She bends down and shakes her ass in his face.

A bunch of frat boys are standing up holding cash.

BRIT is on her knees shaking some dice in her hand.

She has some cash in her mouth.

She is taking bets with the frat boys and they all toss money onto the ground.

She throws the dice against the sideways kitchen table and rolls a seven.

All the frat boys scream in amazement.

She arches her back down like a cat and sticks her bottom in the air.

They can't believe it.

She smiles.

One of the frat boys is staring at her ass sticking up.

She picks up the cash.

The rap music is blaring from the other room.

She stands up and counts her loot.

CUT TO BLACK:

19 THE MUSIC CUTS OFF. 19

20 WE SEE A QUICK SERIES OF QUIET COLLEGE CAMPUS IMAGES AT 20 NIGHT.

The images appear at a steady pace, like still photos almost.

There is something slightly sad and lonely about them.

Empty parking lots. Empty hallways. Empty lecture halls.

Toilet paper stuck on bare tree limbs.

A JANITOR buffing a hallway floor.

COTTY walks over to the window and opens the blind.

The sun shoots into the room.

FAITHS roommate is asleep in the other bed next them.

CANDY bends down and speaks into FAITH'S ear.

CANDY  
Mornin' sunshine.

FAITH pulls the blanket down over her face.

FAITH  
Oh lord.

The other girls circle her bed.

COTTY  
We need your money bitch.

The sleeping roommate sticks her hand straight up into the air and flicks a bird.

23 INT. BATHROOM - MORNING 23 \*

They are standing around some sinks and washing machines.

The light is bright and harsh.

She counts out a few more one dollar bills.

CANDY

We're not even half way to spring break, ya'll.

BRIT

Fuck me.

COTTY

That's like only one night's hotel for us down there.

FAITH

(smiling)

I got another twenty in my purse we can add to it.

The girls all seem depressed.

Close up on the small pile of money.

\*

CANDY grabs the cash in her hand and squeezes it between her cherry red painted fingernails.

It's pouring down rain now.

We see a rain hitting a puddle of water next to the college entrance.

BRIT and CANDY are both eating Fruit Loops cereal straight from the box and listening to headphones.

- 131 INT. ALIEN'S LIVING ROOM - NIGHT 131  
BRIT and CANDY are slow dancing with one another.  
A slow jam is playing on the speakers.  
ALIEN is smoking a joint on the couch.  
The lights are down.  
BRIT is holding a champagne bottle in one hand.
- 132 INT. ALIEN'S KITCHEN - NIGHT 132  
We see ALIEN put a brief case onto the kitchen counter.  
He clicks it open.  
There are two brand new Uzis inside.  
He takes them out and sets them onto the counter.
- CUT TO:
- 133 CLOSE UP OF ALIEN PUTTING SILENCERS ON THE END OF EACH GUN 133  
He holds them up towards the light.  
He points them directly towards us.
- 134 INT. ALIEN'S BEDROOM - NIGHT 134  
The girls are both lying on their backs on the bed full of money.  
The lights in the room are red and hazy.  
They point their guns up towards the ceiling.  
They seem completely in their own world.

Music is on in the background.
- 136 EXT. SPEED BOAT - NIGHT 136  
ALIEN steers a speedboat flying across the ocean.

(CONTINUED)

Water is spraying on both sides of the boat.

CANDY and BRIT are standing in the front of the boat.

ALIEN  
(off screen)  
It seems like a dream.

They have their ski masks on.

Water is flying.

They are both wearing matching fluorescent pink bikinis.

They are holding mini uzis.

They are blankly staring up into the blackness of the sky.

The boat pulls up to the dock.

We are in what looks like a very exclusive area of homes.

ALIEN tosses a cigarette into the water.

He points to a house.

ALIEN  
That's it.

He looks up at the girls.

He gently kisses each girl on the lips.

The kisses last a long time.

He helps them off the boat.

Long pause. They all stare at each other.

Out of no where a bullet sails through the sky and hits ALIEN in the head. He collapses onto the boat.

A BLACK THUG LOOKOUT GUY is standing on the dock. His gun is smoking.

CANDY turns and shoots him. HE falls into the water.

The girls step up and look at ALIENS body lying motionless in boat.

Without any pause, both girls quickly turn around and start running towards the house.

This whole scene is done in one long frenetic running motion.

We follow the two girls without ever letting up.

We follow them from behind.

They run up the sand.

They run up the deck and jump a fence.

The sound of big dogs barking.

The girls don't pause or hesitate for a second.

They keep running full steam and we are running with them.

As they get close to the house they begin screaming like wild animals.

They run past a swimming pool and up some stairs.

There are four THUGS smoking weed in the back of the house.

Two of them are wearing bullet proof vests.

They all have on gold chains and gold teeth.

The girls' screams become louder and more sustained, very high pitched.

The noise is so strange and off putting that the THUGS seem confused by it.

We are still running with the girls.

They are running towards the thugs.

A few of the THUGS start to stand up.

They are all strapped with guns.

The girls run up to the THUGS and start firing.

CANDY shoots the UGLY FEMALE THUG(the same one that shot COTTY).

She shoots her directly in the forehead.

Her body drops like a wet rag and blood goes everywhere.

The other THUGS look up in disbelief.

The image of BRIT and CANDY in pink bikinis with uzis is so strange that everyone seems frozen by it, like a dream or a nightmare.

A stream of white smoke seeps out from the silencers on their uzis.

Without any hesitation or pause BRIT and CANDY shoot the three remaining THUGS in the head.

It all happens very quickly and with no reaction or emotion from either girl.

They do this while running forward the entire time.

They do it like it's video game.

The THUGS drop to the floor.

Blood goes all over the walls and floor.

The girls keep running.

We follow them through various rooms.

They kick open ARCHIE'S bedroom door.

They flick the lights on.

He is not there.

There is a noise machine in his room that has drowned out all the sound.

The noise machine is playing an ocean sound.

They walk through his bedroom and into his massive marble bathroom.

There are two naked girls taking a shower together.

ARCHIE is in the huge bathtub watching, he's submerged in bubbles.

He goes to grab his gun next to the bathtub.

The girls run towards him.

They both pull the triggers on their guns.

Neither gun fires.

Both guns are completely out of ammunition.

They drop their uzis to the floor.

BRIT and CANDY just stare at ARCHIE.

ARCHIE stares back at them.

137

He seems stunned and confused.

No one knows what to do next.

BRIT and CANDY look at one another.

They slyly look down at their bikini bottoms.

The two naked girls run out of the shower and disappear. \*

BRIT and CANDY quickly stick their hand way down into the crotch of their bikini bottoms.

~~ARCHIE goes for his gun.~~

Close up of BRIT and CANDY'S hands digging into their bikini crotch area.

BRIT and CANDY pull out two tiny guns from in between their legs(the same guns from earlier.)

They let out an animal howl.

They point their guns at ARCHIE and start blasting. \*

We can see CANDY'S arm hanging out the drivers side.

We quickly cut to the front of the car as it drives down the street.

We see the two of them bobbing their heads up and down in the front seats.

We watch them through the windshield.

The reflection from the lights bouncing off their faces.

They seem completely calm and at piece with the world.

She is slowly sauntering around the parking lot. She moves like a little kid now.

The parking lot is completely empty except for the two of them.

CANDY  
(speaking into her cell phone)  
—Yeah...Well, I just wanted to let you know I'm coming home now, back to school and everything. And listen, I just want you to know something mom...I love you all so much...And that I'm gonna do better now.

BRIT looks over at CANDY and smiles.

There's a shopping cart turned over on its side with a red balloon tied to it.

The balloon is flapping in the wind.

There is sand and garbage everywhere.

There are palm trees in the background.

CANDY rolls here eyes and bats her lashes.

She looks like she is about to laugh at something.

CANDY licks the bottom of her ice pop.

She smiles nervously.

BRIT smiles up towards CANDY.

Her ice pop drips onto the sidewalk.

BRIT starts to laugh.

She licks the drips from the melted ice pop off her fingers.

The wind blows her hair.

The song grows louder now.
